Touro University California – Vision Statement

Tau Chapter Mission

Dr. Bronwyn Sing
Faculty Advisor

- To further the Science of Osteopathic Medicine and its standards of practice.
- To improve the scholastic standing and promote a higher degree of fellowship among its students.
- To bring about a closer relationship and understanding between the student bodies and the officials and members of the faculties of our colleges.
- To foster allegiance to the American Osteopathic Association and to perpetuate these principles and the teachings through the maintenance and development of this organization.
